**NEXT MEETING DATE:
WEDNESDAY, MAY 1st, 2013**

President's Message

Our next meeting is Wednesday, **May 1st, 2013!** Mike Hollingshead reports our May meeting will be a presentation on 'Early Canadian Scrip' featuring an award winning speaker, **Scott Douglas** (and note, Canadian Tire Money will not likely be covered as part of the history of scrip).

Our good friend and long-standing member **Ross Weston Irwin** passed away peacefully, in Guelph, on Sunday, March 17, 2013, in his 92nd year. Although we sent a memorial email to members, news was too late to include in the April newsletter which had been sent. Reprinted from the April 2013 the CN Journal, and emailed by **Scott Douglas** (as these were his comments): "In sadness, I report the passing of member **Ross Irwin**; one I'll miss at our monthly Society meetings. Over the years, he wrote a great number of articles. He was long-time editor for the CNRS and a great friend to us who shared his love of numismatics." **Ross** will forever leave a positive mark on the hobby of numismatics and the fellowship he shared.

In a recent issue of **Ingersoll Coin Club's** newsletter it had J. D. **White's** (WINS#7, Chopmark Collectors Club Member #228) article on 'chopmarked coins', for the full article go to this link (<http://www.1messydesk.com/chopmarks/chopmarks.html>), it's very informative and interesting. Go to this link if you would like to join the CCC (http://www.chopmarks.com/info/chop_club.htm).

Time is running down to register for the **RCNA—Manitoba Coin Club** summer convention, go to this link for more info <http://www.rcna.ca/2013/register.php>.

Cheers! **John**

South Wellington 2013 Events by Mike Hollingshead

Just so you are all aware, the following date has been submitted to *Canadian Coin News* and **Linda Robinson's Numismatic Calendar** for SWCS shows in 2013:

Saturday October 19th, 2013

We will be removing two or three dealer-tables at our coming shows to allow more space for back-up tables and wider aisles needed for the larger crowds that are attracted to the Guelph Show. Mark your calendars now, and remember, our Stone Road Mall Days are usually the weekend before the show! Come out and volunteer to help with these events to ensure their success!

Highlights of Last Meeting reported by Len Kuenzig and Mike Hollingshead

Membership Draw:

There were 17 in attendance.
The \$10 attendance draw prize
was won by **Gerry Cooper**, so
May's draw will be back to \$5.

Door Prize Winners & King Arthur's Treasure:

KAT amassing 80 items was
won by **Scott Douglas** again,
who proclaimed he had not yet
recycled all the items won from
his last win. Door draws grew
by the addition to the usual
items, of a collection of small
change purses containing
Guatemalan coins, courtesy of
world traveler **Charles
Turton. Gary Fedora** was
the lucky winner of a
'Scratch'n'Win' ticket promis-
ing \$5,000! He is still trying
to figure out where to redeem
the ticket, which was the April
Fool's portion of the meeting.
Other winners were **Gary G.,
Adrian Z., Gerry C., Lowell
W., Gord P., George F.,**

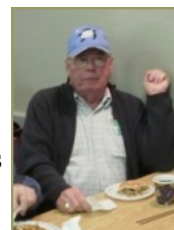

Peter B., and Gary again.

Our Speaker / Education:

The April presentation was
'The Twelve Caesars', a PPT
by Seaby's of London
(England) made available by
the ONA's audiovisual pro-
gram. This was handy be-
cause the next day **Mike
Hollingshead** was com-
plete a crossword puzzle
which asked for the Roman
Emperor after Nero and he
was able to answer Galba.
This PPT was a fine set of
very choice coins hammered
out between 100BC and
300CE.

Mar. 30 Mall Day:

Our mall promo was a big part of
our show's success. On hand for
the for the day (part or full)
were: **Ernie Blair** and his wife,
**Mel Brown, Anton Pavlis,
Lowell Wierstra, Charles
Turton, Scott Douglas, John
Semedo and Mike Holl-
ingshead. Judy Blackman**
sent apologies re conflict with
family Easter gathering. The mall
had been closed for Good Friday
and Easter Sunday, so Saturday
was packed with shoppers and
many folks stopped by to ask
about appraisals and informa-
tion. Many showed up at the our
show at the Legion, we recog-
nized lots of folks from the mall
and repeat attendees from previ-
ous shows. These mall days con-
tinue to prove a great value,
thanks to all for your support. A
big Thank You to **Judy Black-
man** for providing foreign coins

More Than 200 Through The Doors Before Lunch!

Mike Hollingshead reports:

Our Sat. Apr. 6th SWCS Annual Spring Coin Show was a big success with 200 paid admissions before 11:00 a.m. and a total 410 paid adult admissions and 27 youth for the day. Wasn't just foot traffic, but money, with most dealers looking content with their sales for the day! See the next page for pictures of our mall and show courtesy of **Ernie Blair** and **Judy Blackman**.

Dealers admired the new layout with fewer tables and wider aisles. The back-up tables which we purchased from the Legion (after their new table purchases) and **Lowell Wierstra** arranged to modify cut-to-size for our use were greatly appreciated by all (but **Peter Kostyk** who whined that they looked like massage tables – LOL!) **Norma Preece** (of **N&K Coins**) appreciated the back-ups because they allowed her to store tubs under and the loaded surface was just the right height for her to be able to look inside her storage containers. We need about another 16 of these to be completely free of either too-large back-ups or no back-ups!

The catalogue handed out at registration was popular. Supplies could be purchased directly from the vendor or through SWCS. Next year, we expect to be adding a trends section to the handout. We're always looking for ways to ensure our show remains one of the best in the area!

The winner of the 1/10 ounce gold coin was **Jessica More** of Guelph. She and her husband have been faithful attendees at Guelph shows for at least ten years and if there was anyone more deserving of this win I'll eat my sombrero. A nice couple on a very limited budget that have a love for collecting mostly from circulating coins!

Belated Condolences to the Hollingshead Family

In researching an article for **Thomas (Tom) Kostaluk** appearing in the April 2013 *Brantford Numismatic Society* newsletter, I discovered he was friends with **Roy Hollingshead** who passed away in 1987. Given **Roy** was involved in the ONA Executive, and **Mike Hollingshead** was also involved too, I decided to research to see if **Roy** was related to **Mike**. In doing so, I was not able to bring up 1987, but did get an internet hit for September 2012, whereby I discovered **Mike's** beloved Mother '**Frances**' had passed away near the end of September (24th) in her 98th year. Although our October SWCS newsletter referenced condolences for **Terry DeWolfe**, we missed condolences to the **Hollingshead** family. **Frances Alberta Hollingshead** (nee **Avery**) was born in Rocky Mountain House (Alberta) to parents **Daniel** and **Emily Avery** (Judge). She was predeceased by her husband **William Leslie Roy Hollingshead** ("Roy"), and was loving Mother of **Diane Ambroise** (Guelph), **William Hollingshead** (Oshawa), **Susan Edwards** (Elora), and **Michael Hollingshead** (also of Guelph who is married to **Mary**). **Frances** was not only a grandmother and a great-grandmother, but a great-great-grandmother. In honour of her memory, the family welcomed donations to either of these: Huntington Society of Canada, 151 Frederick St, Suite 400, Kitchener, ON N2H 2M2 or Dublin Street United Church, 68 Suffolk St. W., Guelph, ON, N1H 2J2, with appreciation.

Our belated condolences to **Mike** and his family!

Great Foot Traffic for Mall and Show!

Thank you **Ernie Blair** for providing the pictures from our Sat. Mar. 30th SWCS Stone Road Mall Display Day Easter Weekend, and **Judy Blackman** for providing our Sat. Apr. 6th SWCS Spring Show pictures.

The Amateur Athletic Union of Canada

DID YOU KNOW.....that the oldest athletic association in Canada is the Montreal Amateur Athletic Association? The MAAA was created in Montreal in June of 1881. The association was formed as an amalgamation of three individual sports organizations; The Montreal Bicycle Club, Montreal Snowshoe Club and the Montreal Lacrosse Club.

The Montreal Amateur Athletic Association was responsible for the organization of the Montreal Winter Carnival which began in 1883 and was Canada's first winter carnival. In 1893 the Montreal Hockey Club, a part of the Montreal Amateur Athletic Association became the first team to win the Stanley Cup.

In April of 1884 the first national organization, the Amateur Athletic Association of Canada, was established. Later the group changed their name to the Canadian Amateur Athletic Union (CAAU). In 1909 the Montreal Amateur Athletic Association and the Canadian Amateur Athletic Union would join together to form the Amateur Athletic Union of Canada (AAUC).

The goal of the Amateur Athletic Union of Canada was to become the umbrella organization for all variety of athletic clubs and to encourage the development of sports of every type in Canada. The Canadian Olympic Committee evolved in 1909 from the previously known Central Olympic Committee. This group was responsible for financing select teams for the Olympic Games. The Canadian Olympic Committee was part of the Amateur Athletic Union of Canada until 1949 when the Canadian Olympic Association was formed independent of the AAUC.

On October 1, 1943 the Canada National Physical Fitness Act was passed. In 1951 this act was responsible for the formation of the Canadian Sports Advisory Council later known as the Sports Federation of Canada. The federal government was now the official prevailing sport body.

During World War II many Canadian athletes were called to active military duty. Although annual meetings of the AAUC were suspended the branch organizations of the AAUC were encouraged to carry on. However, with the independence of the Olympic Committee and the involvement of the government, the control of amateur sport in Canada that had been enjoyed by the Amateur Athletic Union of Canada in the first half of the 20th century, was now all but over. The Fitness and Amateur Sport Act was passed in September 1961 to promote and develop amateur sport in Canada. In 1969 the Task Force on Sport for Canadians were responsible for making recommendations to the federal government on amateur sports. Many of these recommendations were implemented and the AAUC was now completely forgotten. All branches of the Amateur Athletic Union of Canada dissolved in 1970.

Austria 1363-1963 .900 Silver 50 Schilling, 0.5787 ASW.

The Schilling was the currency of Austria from 1924 to 1938 and from 1945 to 1999, and the circulating currency until 2002. The Euro was introduced at a fix parity of €1 = 13.7603 schilling to replace it. The schilling was divided into 100 Groschen.

The first Schilling was established by the Schilling Act (Schillingrechnungsgesetz) of December 20, 1924 at a rate of 1 Schilling to 10,000 Austro-Hungarian Kronen and issued on March 1, 1925. The Schilling was abolished in the wake of the Anschluss (1938), when it was exchanged at a rate of 2 German Reichsmark to 3 Schilling. In 1925, bronze 1 and 2 Groschen, cupro-nickel 10 groschen, and silver ½ and 1 Schilling coins were introduced, followed by cupro-nickel 5 Groschen issues in 1931. In 1934, cupro-nickel 50 Groschen and 1 Schilling were introduced, together with silver 5 Schilling. Coins were issued until 1938.

The second Schilling was reintroduced after World War II on November 30, 1945 by the Allied Military, who issued paper money (dated 1944) in denominations of 50 Groschen up to 100 Schilling. The exchange rate to the Reichsmark was 1:1, limited to 150 Schilling per person. The National Bank also began issuing Schilling notes in 1945 and the first coins were issued in 1946. Between 1947 and 1952, coins in denominations of 1, 2, 5, 10, 20, and 50 Groschen; and 1, 2, and 5 Schilling were introduced. The 2 and 50 Groschen; 1, 2, and 5 schilling were struck in aluminium, as was the second type of 10 groschen coin. The 1 and 5 groschen and the first type of 10 groschen were in zinc, with the 20 groschen struck in aluminium-bronze. The 1 groschen was only struck in 1947, while the 20 groschen and 2 schilling coins were suspended from production in 1954 and 1952, respectively. In 1957, silver 10 schilling coins were introduced, followed in 1959 by aluminium-bronze 50 groschen and 1 schilling, and in 1960 by silver 5 schilling coins. Thus, the 5 schilling coins went from an aluminium composition to a silver one, a highly unusual event made possible by the substantial improvement of the Austrian economy in the 1950s. Cupro-nickel replaced silver in the 5 and 10 schilling coins in 1969 and 1974, respectively. An aluminium-bronze 20 schilling coin was introduced in 1980. Silver coins were in the value of 25, 50, 100, 200 and 500 Schilling, but gold coins also existed for 500 and 1,000 Schilling. They were considered legal currency, but were rarely found in actual transactions. With a second 'Schilling' law on November 21, 1947, new banknotes were introduced. The earlier notes could be exchanged for new notes at par for the first 150 Schilling and at a rate of 1 new Schilling for 3 old Schilling thereafter. Coins were not affected by this reform. The currency stabilized in the 1950s, with the Schilling being tied to the U.S. dollar at a rate of \$1 = 26 Schilling. Following the breakdown of the Bretton Woods system in 1971, the Schilling was initially tied to a basket of currencies and then in July 1976, the schilling was coupled to the German Mark. Although the Euro became the official currency of Austria in 1999, Euro coins and notes were not introduced until 2002. Old Schilling denominated coins and notes were phased out from circulation because of the introduction of the Euro by February 28th of that year. Schilling banknotes and coins which were valid at the time of the introduction of the Euro will remain exchangeable for Euros at any branch of the Austrian National Bank (Österreichische Nationalbank) indefinitely. At the time of the changeover to the Euro, the coins in circulation were the following. Coins under 10 Groschen were rarely seen in circulation during their final years.

The Austrian First Republic came into being after World War I as a disorganized and impoverished state of some seven million people. The dissolution of the monarchy deprived Austria of the industrial areas of Bohemia and Moravia and ended the large internal market created by the union between Austria and Hungary. German-Austrians desired union with the new German Republic, but this was forbidden by the peace treaties of Versailles and Saint-Germain. The new constitution (1920) created a federal state, with a bicameral legislature and a democratic suffrage.

Economic reconstruction took place with the aid of outside agencies. Between 1919 and 1920 US, British, and Swedish organizations provided food to relieve the desperate situation. Rising inflation heightened the country's distress, and in 1922 Austria appealed for help to the League of Nations. The league arranged for a large loan to prevent economic collapse. In return, Austria pledged to remain independent for at least 20 years. The deflationary policies that were a condition of the loan caused much economic hardship and unemployment, but Austrian finances slowly stabilized.

A recent article in the Kentucky Post reported that a woman, one Anne Maynard has sued St Luke's Hospital (Bethlehem, PA), saying that after her husband was treated there recently, he had lost all interest in 'romance in the bedroom'. A hospital spokesman replied, "Mr. Maynard was actually admitted in Ophthalmology - all we did was correct his eyesight..." Lowell Wins a Bison!

Wed. Apr. 3rd, 2013, SWCS Membership Meeting presentation by **Peter Becker**, ONA Area Director: "Had a wonderful time presenting **Lowell** his prize at the SWCS meeting, and thank you to **Robin Semedo** for taking a few pictures for me on my camera, and **Henry Nienhuis** for photo finishing. After all the registrations were counted at the end of the day on March 1st, the names of 80 individuals were assigned numbers. A computer program then randomly selected one of these numbers in the

presence of the ONA Treasurer (**Brent Mackie**) and Registration Chairman (**Peter Becker**). **Lowell Wierstra** of Guelph (Ontario) emerged as the lucky winner of the final silver bullion coin in a series of six. The Bison coin provided by **Colonial Acres Coins** and designed by **Emily S. Damstra** was presented to **Lowell** along with a specially designed certificate of authenticity created to commemorate the prize. **Lowell** will be able to ask **Emily** to autograph this certificate and coin box at the ONA banquet. Congratulations **Lowell** and thanks to all those who registered early."
